

ANNUAL GENERAL MEETING 2018 – WEST HOCKEY REPORT

West Report for the Somerset AGM

The West now have 4 meetings a year. Each meeting is mainly devoted to a particular topic. i.e. Budget, Performance etc: We have also tried a Conference call meeting which I found quite bewildering and found it quite difficult to follow the line of discussion.

Leagues - new structure (may be) after Christmas top 8 play then the next layer etc:
Ladies league- the Issue of the Welsh teams a possible amalgamate with the West league!

Governance meeting on 23.11.17 -

- Rules and Regulations need standardising across the board
- A very heated debate on The hockey structure which needs to be streamlined so that EH deal directly with the Counties and 'disband' the Regional levels.
