The course will be led by England Hockey qualified coaches. All staff have an enhanced DBS check and hold first aid qualifications.

The camps are aimed at boys and girls aged 6-14 years who wish to come along, have fun and develop their hockey. We will focus on individual and team technical and tactical development in a games-based, decision-rich environment. We are also able to offer bespoke goalkeeper training.

You will need to bring your own packed lunch, snacks and plenty to drink. You will also need to bring appropriate clothing for the weather: indoor shoes, your own sticks, shin pads and gum shields (compulsory). Goalkeepers will also need to bring their own kit.

All places must be pre-booked and will be allocated on a first-come, first-served basis. All players will be grouped according to age and level of experience.

Closing date for applications:
Friday 15 February 2019.
